She started studying English at Entry Level 2/3.

After taking a long break from studying, to raise her daughter, she returned to study level 1 and level 2 English and recently passed her level 2 writing.

When informed by her tutor, Ayesha, she had passed her level 2 writing she said, " Thank you so much. I can't believe it. I had to look at your text message twice telling me I'd passed. You and Rachel and Samina helped me so much so I could finally pass the writing exam. Thank you all so very much."

Diane is now keen to change jobs and work in an admin based role.

I had some fantastic helpers in Ayesha, Rachel & Samina on my learning journey to pass my writing exam.

Ayesha gave me extra practice papers so I could do extra work at home she would send out some website that would help me too.

Rachel helped me with my work in class & she also helped me with extra lessons once a week on teams with my things like my spellings and reading parts out so I could write them down going through my work that I've done to see where I was going wrong & then I could make it right.

Samina helped me with spelling and grammar & and giving me practice papers sent out websites to help me with things like spellings & prnon words & match the words with the sentences.

If it were not for Ayesha, Rachel, and Samina, I would have never passed my writing exam. I am so grateful for all the help that they all gave me while I was doing my English course.
