

# Meet the pathologists – virtual careers talks for 13 – 18 year olds on Wednesdays and Fridays in November

If you're between 13 and 18 years of age and interested in a career in medicine or science, attend one of our virtual careers talks in November. These sessions, to be held on Wednesdays and Fridays throughout the month, will give you the chance to learn more about what pathologists and clinical scientists do and what it is like to work in this fascinating area.

Wednesday sessions on 3, 7, and 10 November will be held at 4pm. Friday sessions on 5, 12, and 19 November will be held at 2pm.

Each session will run for 30 minutes and be followed by a 15-minute Q&A where students will be able to ask questions.

Sign up through Eventbrite at the links below; it's a quick online registration and you'll be sent a Zoom link closer to the date.

Teachers can book via the link for the whole class or students can sign up individually and join the event from their own devices at home.
