COLLEGE**

Annual Report 2022-2023

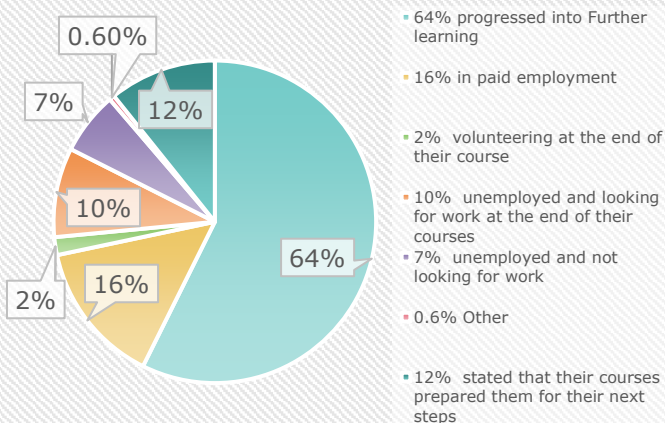

The Adult College of Barking and Dagenham is a medium-sized college with approximately 1500 learners, based across 2 main sites: in the centre of Barking, and in Parsloes Ward in Dagenham. The College sits within the Inclusive Growth Directorate, whose principal function is to seek employment and development opportunities for residents. The Directorate is instrumental to the Council's objective of helping residents improve their life circumstances and fulfil their potential, delivering outcomes and creating opportunities for residents to thrive in the local and wider London economy, as well as their own neighbourhoods. The College is committed to supporting residents through the cost-of-living crisis, protecting residents from falling into or becoming entrenched in deeper poverty and hardship, reducing inequalities and furthering progress on socio-economic, health and wellbeing outcomes.
