

**Are you looking for a career in the green industry to help maintain a sustainable environment?**

**Do you want to achieve further green building industry qualifications?**

**If yes, the Community Renewal Fund 'Green Skills Green Jobs' project provided by Barking and Dagenham Council could be exactly what you're looking for.**

**Barking and Dagenham Council is taking steps to make its housing stock more energy efficient and converting its fleet of vehicles to electric. The council is also committing to protect the environment to help create a better, greener, and safer future for our children and generations to come. Joining the CRF Green Skills Green Jobs project will give you the opportunity to get information about the green industry, increase knowledge, get qualified and secure employment in the green industry.**

## **We can create opportunities and give you information about:**

- Employment opportunities in the green industry and link you with employers operating in the borough and across London
- Green industry qualifications such as Energy Awareness, Waste Management and IOSH Managing Safely
- Construction Skills Certification Scheme (CSCS) for employment in the construction industry
- Work experience and apprenticeship opportunities
- Advice and guidance on training opportunities and employment
- Support with your journey to work and career progression
- Upgrade your skills for better career opportunities

## **With support from the council's Work and Skills Team, you can also gain:**

- A Level 1 Award in Health and Safety in a construction environment
- Preparation for your Health, Safety and Environmental Labourer and Manager tests
- UKATA Asbestos Awareness certificates
- Improved functional skills
- Improved digital inclusion skills
- Help with applying for the CSCS 5-year card

## **Our Green Industry sessions will provide you with industry-specific and up-to-date information on the council's direction of travel. They will be held virtually and, in the classroom, twice a week on:**

- Wednesday afternoon from 2.30 to 4.30pm
- Friday morning from 10am to 12noon

**To find out more and to join the project, email: [construction@lbbd.gov.uk](mailto:construction@lbbd.gov.uk) or phone/WhatsApp on 07783 634 592**
